ESTIMATE OF REPAIR

TOTAL ESTIMATE OF REPAIRS:

All procedures and materials used in this repair/restoration are reversible.
Judgment will be based on doing the least repair/restoration to get the best restored condition. You will be contacted if there is any change in the estimate or repairs. Should we fail, in our opinion or in your's, the only cost will be shipping. Professional restoration will not conceal the damage from a skilled observer.
Before and after pictures will be taken.
